1. How the Series Works

Trigger	Email 1	Email 2	Email 3
Someone joins the "Newsletter" group through the sign-up form	Right away: welcome and free guide	2 days later: the brand story	4 days later: best sellers and gift wrapping

After email 3, subscribers move into the regular newsletter. Anyone who buys during the series skips email 3.

2. The Emails

EMAIL 1 · SENT RIGHT AWAY

Subject: Your Candle Care Guide is here
Preview text: Plus a warm welcome from our studio

Hi {$name|default('there')},

Welcome to Lumen & Pine. We're so glad you're here.

As promised, here is your Candle Care Guide. It covers the first-burn rule, how to trim a wick and how to make every candle last to the last bit of wax.

[Button: Download the guide]

Over the next few days, I'll share a little about who we are and the scents people love most.

With warmth,
Olivia

EMAIL 2 · 2 DAYS LATER

Subject: How Lumen & Pine started
Preview text: A kitchen, a pot of soy wax and a lot of patience

Hi {$name|default('there')},

Lumen & Pine started in my kitchen, with a pot of soy wax and a wish to bring the feeling of a cabin in the woods into everyday life.

Today every candle is still poured by hand in small batches, so we can check every wick, every jar and every scent before it reaches you.

EMAIL 3 · 4 DAYS LATER

Subject: The three scents people love most
Preview text: And every order ships gift-wrapped

Hi {$name|default('there')},

If you're not sure where to start, these are the scents our customers come back for: Cedar Smoke, Frosted Pine and Fireside.

Every order ships gift-wrapped, so a candle is always ready to give, or to keep for yourself.
